Session Notes

+ Add Note

- MS

Maria Schmidt
Open Society Foundations

Day 1 · 14:32

The rights-based approaches session surfaced strong demand for a shared learning platform. OSF will follow up with MENA Rights Group on joint programming opportunities in the Mediterranean region.
- JO

James Odhiambo
OAK Foundation

Day 1 · 16:50

Digital Rights breakout: participants want a working group to share tools for operating in restricted digital environments. Interested orgs: Digital Frontiers, Access Now, EFF.
- AD

Awa Diallo
Geneva Secretariat

Day 2 · 11:15

Strategic communications workshop highly rated. Rashida's adaptive messaging framework is directly applicable across 60% of the portfolio. Requesting follow-up toolkit.
- PAD

Prof. Amara Diallo
Sciences Po Paris

Day 2 · 16:00

Fishbowl revealed consensus: philanthropy needs to accept longer time horizons (10+ years) and better share learning. Key ask: OAK to publish failure cases alongside success stories.

Key Takeaways

- 1

Philanthropy needs to accept 10+ year time horizons for systemic change
- 2

Shared learning infrastructure is the most requested resource across the portfolio
- 3

Digital rights must be integrated into all programme areas, not siloed
- 4

Rights-based framing significantly improves grantee advocacy effectiveness
- 5

Peer exchange is rated more valuable than expert-led sessions (92% vs 74%)
